

Selection of Comfort Zones installed  
- C50-stalls (post mounted) , Pasture Mats® and Poly Pillow™

All of these are 16ft head to head stalls at 3'9" centres.

Weld on stanchion brackets if required.

These are 9ft single rows at 3'9" centres. All have 50" high neck rail cubicles.

These are the new heavier clamps – all with a bolt though - cubicles and brackets are all hot dipped galvanized.
