SupremeMattress[®]

Cows Choose.

A Supreme Mattress elevates your herds welfare,
taking milk yield to new levels.

**Wilson
Agri**

A green graphic element consisting of a curved line with three arrows pointing upwards and outwards, resembling a stylized plant or a protective shield.

The Supreme Mattress Range

Cover

A continuous roll that is highly durable, easily cleaned and proven to keep cows cool, fresh and dry.

Comfort Pad

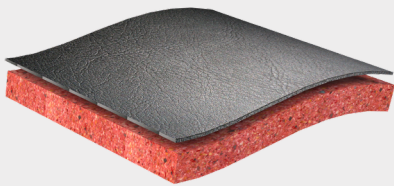

The comfort pad provides an adaptive support system to relieve pressure points and promote longer lying times.

Impact Layer

The impact layer absorbs shock as the cow lies down and rises, protecting knees and joints while maintaining its shape.

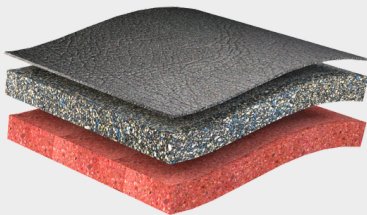

Mono Mattress

A single foam layer mattress with optional total depths of ~35mm or ~40mm.

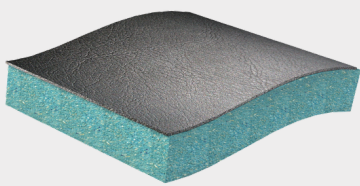

Duo Mattress

A double foam layer mattress with a total depth of ~70mm or 80mm.

Gel Mattress

A self adjusting surface for ultimate comfort. Total depth of 90mm.

→ A newly installed row of Mono Supreme Mattress and Cowcoon cubicles.

Impact Layer

Available in 35 and 40 mm

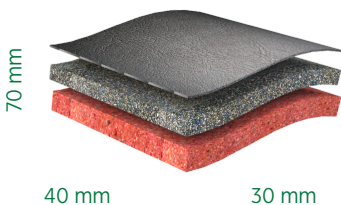

Comfort Pad

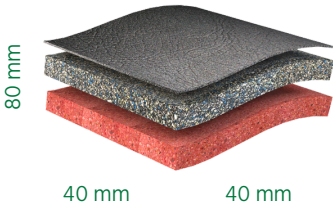

Available in 30 and 40 mm
