

# Supreme Mono

Single Layer Comfort.

**The Premium Topcover is water repellent and breathable, latex or rubber is optional. The breathable cover is both refreshing and practical. This cover is moisture wicking, easily cleaned and washable and encourages maximum lying time for improved nutrient utilization and milk production.**

## Applications

Cows, heifers & youngstock

## Properties

A seamless mattress system. Fully sealed mattress beds that won't hold moisture or bacteria.

Supreme Mono Mattress' impact layer technology provides invariable, stable cushion for cow descent each and every time she lies down.

The long life foam will show no deformation after years of use which benefits comfort, cleaning and hygiene.

The mattress can be upgraded with comfort pad at any time.

Latex or Rubber Cover

30 or 35 mm  
Impact Foam
